About Us

LRB Group T/A LRB Tree Services is family owned and operated company servicing South East Queensland since 2017. LRB Group specialise in all aspects of Arboriculture, vegetation management and earthmoving.

Director, Luke, has been involved in the timber industry all his life and prides himself on delivering a diverse professional portfolio. Luke is a qualified Arborist with interest in many other areas. Starting as a sole trader in 2013 the company has grown to offer a multitude of services to residential, commercial and civil clients.

LRB Group employs a team of diverse staff with backgrounds in many different areas from transport and earthmoving through to rural enterprise. Equipped with a modern, up-to-date fleet of specialised equipment, heavy vehicles including trucks, wood chippers, skid steers, excavators and more. The team are prepared to deliver any number of solutions for clients' needs.

What We Deliver

Arboriculture and Vegetation Management are the core of the company, however we have the equipment and ability to provide much more:

- Arborist services
- Tree removal
- Tree pruning
- Stump grinding
- Mulch sales
- Forestry mulching
- Slashing
- Earthmoving
- Land Clearing
- Firewood sales
- Bulk material transport
- Noxious weed spraying

Director, Luke is always looking for new and innovative solutions for clients of all aspects. Fully qualified and insured LRB Group are able to take on contracts of any scale and nature.
